IN FRANCE AND AGAIN ASSUMED COMMAND OF CAMP SHERMAN  
AFTER HIS RETURN FROM OVERSEAS.

*A* very earnest effort was made through newspaper advertising, house to house canvassing, moving picture slides, and announcement in public schools and churches to secure the photographs of every person from this county who was in the Government Service. Despite our utmost efforts, however, there were some that we were unable to procure. Some of the reproductions are not as good as others, this is due, in each case, to the quality of the print supplied.
